

# CALHOUN COUNTY

## Office of Community Development

Parks & Recreation – Planning – GIS– Solid Waste  
315 West Green Street, Marshall, Michigan 49068 – 269/781-0784

---

TO: Local Units of Government  
FROM: Sarah Lundy, Calhoun County Solid Waste and Recycling Coordinator  
DATE: June 27, 2023  
SUBJECT: C&C Landfill Recycling Center Pass Program

Effective as of today's date, all C&C Landfill Recycling Center passes will be issued directly through Calhoun County's Community Development Program. Residents will be able to apply online through the website [www.calhouncountymi.gov/recycling](http://www.calhouncountymi.gov/recycling) under the C&C Landfill Program. If residents do not have access to computers or the internet, they may call 269-969-6395 and request a pass over the phone. Passes will be mailed to residents on a weekly basis. This change will allow us to provide program updates and educational material directly to all residents who participate in this program. Additionally, we will be updating the pass soon and distributing the new passes through the postal service. If you have kept logs with the passes you have issued, please scan and email or mail them to:
